Dear Jo:

I want to thank you for the time you spent at the Christmas Party sponsored by the Springfield Rotary Club at Wittenberg University. I saw the story on TV and I think it went really well. Your camera crew certainly captured the spirit of the party and the excitement of the children.

Thanks for making my first TV interview so painless. (I must admit that I was so busy I didn't even have time to get nervous.) Happy holidays to you and to everyone at TV26.

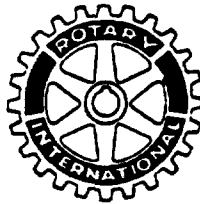

Sincerely,

Dear Jo:

I watched the program which you provided concerning our Christmas Party for the Handicapped on December 14 and was greatly impressed by the fact that you gave us such good coverage! I have mentioned the program to a number of our Board of Directors who also watched it and were very pleased with what you did.

It's nice to know that once in a while the media finds something good to be newsworthy and we do appreciate your great coverage. I hope you will come back again next year. I watched it TWICE!

Best wishes for a great 1993!

Sincerely,
